# Make Delicious Iced Coffee with the Bodum Bean Iced Brewer

- Measure 2 rounded 8 ounce cups of fresh beans.
- Grind beans coarsely (#12 or French press grind) and pour into brewer.
- Fill with fresh, cold-filtered water. Stir with a spoon.
- Seal the solid cover lid on brewer and refrigerate overnight.
- Remove the cover lid and use the plunger screen to press the grounds to the bottom.
- To serve, pour over ice. Sweeten with simple syrup if desired.
- Makes 36 ounces, or 6 servings.
